We Can Do It!

Meet the Team

Alan Turing

- Mrs. Glover – Class Teacher

Ada Lovelace Class

- Mrs. Summers – Class Teacher

Uniform

- Dark grey skirt/ trousers
- Polo shirt/ shirt and tie – white
- Grey sweatshirt/ cardigan
- White, black or grey socks
- No nail varnish or jewellery other than stud earrings
- Long hair should be tied back

On the day that your child has PE, they can come to school in their Banks Road jog suit and remain in this all day. Alternatively, they can change into their PE kit before the lesson.

Uniform

- Black shoes (no black trainers)

If your child comes in wearing footwear that is not school uniform they will be given a pair of black pumps to wear. They will be asked to wear the black pumps all day in school and then return them to the school office at the end of the day.

School uniform can still be purchased from the School Shop:

<https://shops.parentapps.co.uk/banksroad/>

Behaviour

- All children's behaviour is tracked on the 'tracking sheet'. This is age-appropriate and links closely to 'Dojos'.
- For KS2 Classes:
 - Different behaviours have different consequences.
 - This could result in either a break time detention for children who display a Stage 4 behaviour.
 - Additionally, this could result in a lunchtime detention for children who receive a 'Stage 5' behaviour.
- The Banks Road behaviour scale and behaviour policy is available on the school website under the 'School Policies' tab.

Attendance and Punctuality

- Attendance is mandatory.

IT'S THE LAW!

What is the expected minimum attendance percentage set out by the Government?

A. 85%

B. 97%

C. 90%

D. 95%

What is the expected minimum attendance percentage set out by the Government?

The answer is 'B': 97%

This is the minimum expectation that the Government have for all children to attend school.

What absence percentage is considered as 'persistent absenteeism' by the Government?

A. >30%

B. >20%

C. >10%

D. >5%

What absence percentage is considered as 'persistent absenteeism' by the Government?

The answer is 'C': $>10\%$

Any absence above 10% is classified as 'persistent absenteeism'.

This is Helen. She is in Year 3 and has 90% attendance.

- Is that good?
- What does this mean?

Helen thinks this is pretty good, so do her parents.
Are they right?

90% attendance = **½ day missed** every week!!

Mon Tue Wed Thur Fri

Absent half a day every week

If Helen has 90% attendance at the end of the school year, how much time has she missed?

- A. 3 weeks
- B. 2 weeks
- C. 4 weeks
- D. 5 weeks
- E. 1 week

If Helen has 90% attendance at the end of the school year, how much time has he missed?

The answer is 'C': 4 weeks - this is a lot when you realise that the school year is only 38 weeks long!

If Helen keeps his attendance at 90% for his whole 6 years at primary school (Y1 – Y6), she will have missed over half a year of school – 24 weeks!!

What impact might this have on Helen's life.....?

Research suggests that **17 missed school days** a year = GCSE grade **DROP** in achievement. (DfES)

The greater the attendance the greater the achievement.

There is a clear link between achievement and attendance from an early age.

Relationships, Sex and Health Education

- It is statutory for schools to teach the RSHE curriculum and to make parents/carers aware of what we are covering.
- At Banks Road, we use a carefully chosen curriculum resource called 'Jigsaw'.
- The Relationships and Health Education elements of RHSE are covered in our 'Jigsaw' lessons, in the Summer 2 unit 'Changing Me'.
- The Sex element of RHSE is taught within Science lessons as part of reproduction in mammals. It is age-appropriate and is the same content that is taught in all schools throughout England and Wales.
- A full overview of what is taught is available on our website under the PSHE tab.

Year 3 RSHE Curriculum

Jigsaw knowledge and skills progression: Changing Me - Ages 7-8

Jigsaw, the mindful approach to PSHE is a progressive and spiral scheme of learning. In planning the lessons, Jigsaw PSHE ensures that learning from previous years is revisited and extended, adding new concepts, knowledge and skills, year on year as appropriate. The table below draws out the **spiral** knowledge and skills progression within the Changing Me Puzzle (unit of work) including the key vocabulary used in each year group and suggestions for Family Learning.
