To All Parents/Carers,

This morning, I received a communication from the Director of Public Health outlining concerns regarding the high and increasing levels of COVID-19 in Liverpool. As a result, I have been asked to pass on the following message to you.

It is now essential that parents and carers in Liverpool wear face coverings when collecting and dropping off their children at school.

I am very grateful for your support at the start of this academic year. Working together, I am hopeful we can help keep all members of our community as healthy and safe as possible.

Yours sincerely,

Mrs L Gibson
Headteacher

We can do it!
