Dear Parent/Carer,

Yesterday evening, the Prime Minister announced that Primary schools must shut from today for all but critical worker and vulnerable children.

Most parents will know if their child falls into this category from the summer term, but we appreciate people's situations change, so we have put a link to the government definition below.

www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision

Parents who believe that their children fall into this category will not be turned away from school on Wednesday; however, we are currently in the process of working through the guidance to ensure that only children who fall into these categories will be able to attend moving forward.

We will communicate further information to our parents as we receive it, including our remote learning provision and information around free school meals.

Whilst we have staff available, Breakfast Club will be open from 8am. To access this, you must pre-book your child's place via our school website.

Yours Sincerely,

L Gibson
Headteacher
