

Banks Road Primary School—Computing

Where Once We Stood—Medium Term Plan

Year: 5

Topic: Blog writing (Wordpress)

Term: Autumn 1

Lesson	Focus
1	<p>Using the internet as a tool to research facts about the Apollo moon mission.</p> <p>Talk about how to better results by using keywords. E-safety—how do we know information is reliable?</p>
2	<p>Using laptops, create PowerPoints (Paired) based around the facts researched the lesson before.</p> <p>Use slides to group relevant ideas together.</p>
3	<p>Create a short diary on word about the Apollo mission.</p>
4	<p>Move over to wordpress, uploading it to the blog.</p>
5	<p>Editing, adding pictures etc. drafting and improving to the blog post.</p>
6	<p>Reviewing and evaluating each other's blogs.</p> <p>What do you like about the blog? Is it informative?</p> <p>What could they do differently next time?</p> <p>Is there a particular feature to be proud of?</p>
