

Banks Road Primary School—Computing

Rose Blanche—Medium Term Plan

Year: 6

Topic: Coding (Variables, Conditionals)

Term: Autumn 1

Lesson	Focus
1	Reintroduction to Scratch online. What are conditionals?
2	Apply knowledge and understanding of conditionals and introducing variables.
3	Using knowledge and understanding of conditionals and variables to produce a simple maze game in Scratch.
4	Adapt the simple maze game to include own trench system, sprite and threats.
5	Adapt the simple maze game to include own trench system, sprite and threats. More detailed programming, saving onto network etc.
6	Adapt the simple maze game to include own trench system, sprite and threats continued.
